

Voting from Abroad: What Did We Learn From the 2006 Experience?

*Perla Carolina Gris Legorreta*¹

Abstract:

Modifications to the 2012 electoral process does not appear to have solved the structural problems identified in 2006 which resulted in low participation of Mexicans abroad and in the dispersion of institutional efforts.

Key words: *Mexicans living abroad; voting from abroad; elections 2006; elections 2012; institutional challenges.*
